Copies of the 1% Parent & Family Engagement Budget Input were placed in the Parent & Family Resource Center, Room 204 on Tuesday, October 8, 2019. Additional surveys were sent home with students on October 15th & October 22nd.

During our input meetings, parents were given the opportunity to complete the 1% Parent & Family Engagement Budget Input form. Parents were informed that we have \$4,040.00 in the Title I -1% Parent & Family Engagement Budget for the 2019-2020 school year. Parents provided their input about proposed ways that the 1% Parent & Family Engagement Budget funds will be used during the 2019-2020 school year for parent & family engagement materials, supplies.

52% of parent input that was received, indicated that parents agreed with having a district parent coordinator who is a liaison for them and provides family engagement opportunities at the school. Parents and family members have asked for a place at the school where they could meet and learn how to better support their child's learning. Parents and family members asked for more academic resources on how to help their child at home. Parents and family members would like to have a workshop on helping their child with math and literacy. Parents and family members requested supplemental materials to assist their child at home. Based on the input from Jonesboro Middle School's parents, we will continue utilizing the Title I fund to purchase parent & family engagement materials, supplies, and resources to support parents use with their students at home.

Jonesboro Middle School has used the 1% funds to purchase supplemental materials such as: Parent & Family Engagement Materials, Supplies, Printing and Parent & Family Engagement Books/Periodicals-Non text. Based on our parent's responses and agreement of use of Title I funds, we will conduct workshops to provide parents with materials and tools to assist the children at home.
